

To: All Vydyn<sup>®</sup> and Ascend<sup>®</sup> customers

Subject: **RoHS compliance of Vydyn<sup>®</sup> 21SPG**

This letter is to certify that Vydyn<sup>®</sup> 21SPG nylon resin is in compliance with the relevant requirements of the following legislations:

**California:** The Electronic Waste Recycling Act (SB 20/50) (“California RoHS”)

**China:** Article 11, Administration on the Control of Pollution Caused by Electronic Information Products (“China RoHS”)

**European Union:**

Directive 2002/95/EC (“RoHS Directive”) – including all amendments through 2006/692/EC

Directive 2002/96/EC (“WEEE Directive”) – including all amendments through 2003/108/EC

Directive 94/62/EC (“Packaging Directive”)

Directive 2005/84/EC (“Phthalates Directive”) – including any amendments

**Japan:** JIS C 0950, Amendment to the Law for the Promotion of Effective Utilization of Resources (“Japan RoHS”)

**Korea:** Act 6319, Act for Resource Recycling of Electrical and Electronic Equipment and Vehicles (“Korea RoHS”)

**Norway:** Prohibition on Certain Hazardous Substances in Consumer Products (“Norway PoHS”)

**CONEG:** (Coalition of Northeastern Governors) Model Toxics in Packaging Legislation.

Each of the RoHS laws seeks to limit or require disclosure concerning the use of certain hazardous materials in various types of electronic, electrical, medical, packaging and consumer products. This letter confirms that none of these restricted materials are intentionally added to any Vydyn products, and therefore, should not be present above RoHS threshold limits.

For these regulated applications, you may continue to use all Vydyn products with confidence. If you have any further questions on this issue, please contact me.

Thank you for your business,

A handwritten signature in black ink that reads 'Travis Willard'.
